Organizations Need Help:

There are several wonderful organizations that are in need of a couple of things: The first is a desktop computer. If you have one or know someone who has one they would be willing to donate lets us know and we will pass the word along. The

second need is for a washing machine. There is a church that works with the homeless and they let them wash their clothes and their washer just broke. So again if you know someone who has one please let us know and we will

make arrangements to pick it up. What a blessing for this church to wash the homeless clothes. Clean clothes is something we take for granted and now it the chance to give back.

EBGC : SOMETHING TO THINK ABOUT

Lessons of Failure
=====

Lord, are you trying
to tell me
something?
For...

Failure does not
mean I'm a failure;
It does mean I have
not yet succeeded.

Failure does not
mean I have
accomplished
nothing;
It does mean I have
learned something.

Failure does not
mean I have been a
fool;
It does mean I had
enough faith to

experiment.

Failure does not
mean I have
disgraced;
It does mean I have
dared to try.

Failure does not
mean I don't have
it;
It does mean I have
something to do in
a different way.

Failure does not
mean I am inferior;
It does mean I am
not perfect.

Failure does not
mean I have wasted
my life;
It does mean that I
have an excuse to
start over.

Failure does not
mean that I should
give up;
It does mean that I
should try harder.

Failure does not
mean that I will
never make it;
It does mean that I
need more practice.

Failure does not
mean that you have
abandoned me;
It does mean that
you must have a
better idea.

FROM THE GALAXY TO A NEW WORLD

Things have changed since we became the Elmer Back Gifting Center. When we were the old Galaxy of Gifts. The United Way paid all our fees. The Arc gave us the warehouse space and provided us with computers, insurance telephone, transportation to do

pickups, gas to do pick ups, card board recycling bin etc. You get the idea. When you come in and think this isn't like the old Galaxy, you are right but just remember that all of the things that the ARC provided we still have to have but now we must pay the expenses by charging

an administrative fee. We do not get any grants nor are we funded by anyone other than the organizations that we serve. Everyone at The Elmer Back Gifting Center is a volunteer. We are a new world but with your help and support we can make it a better world for everyone.

AND FINALLY A NOTE FROM STEVE

Thanks, to everyone who has asked about Susie. She is doing well and on her way to full recovery. She even stop by The Elmer Back Gifting Center the other day, on her way back from a doctors' appointment. Still keep her in your prays and we look forward to having her back soon. When she is not here, a big part of our team is missing. Not to mention that I attempt to do the newsletter. In discussing how to improve the warehouse, one idea that

was presented was to reward the people who support us. One way to do this is to give 10% off to anyone who brings us pictures showing what you are doing with the items you receive from us. We can then send those pictures to our donors and everyone will have a good feedback. So get out those cameras, write a note telling what you are doing with the items and get your 10% discount the next time you shop. Also, keep your ideas coming we are here to serve you

and the people in the community who need just a little helping hand to improve their life. You never know the impact you make when you help someone who is down on their luck.
