Susie Has Operation

Susie had a knee replacement last week and is recovering at home. She is doing well and we ask everyone to keep her in his or her prayers. We look forward to her being back at the warehouse real soon. With a new knee maybe she will be able to kick us into shape. While they

were replacing her knee they were going to replace her brain but they realized hers hadn't been used that much. Ok enough joking about Susie. I figured if we talk about her in the newsletter she would come back sooner and write the newsletter. We all wish her the best.

Bay Days Are Here

Once again it is almost time for the Bay Days Festival. This year the festival is being held on September 9, 10 and 11. Volunteers are needed to work a minimum 4 hour shift. Hours are as follows:

Sept. 9: Noon-11pm
Sept 10: 10:00 a.m.-
11:00 p.m.
Sept. 11: Noon-6 p.m.

On September 10, be ready to chow down on some of the best BBQ in town when Bay Days hosts their BBQ challenge. Mighty good eating and wonderful people all together to make this a memorable event. Also on September 10 Bay Days will have their 8K run and Family 1 mile fun run.

Registration is from 6:30 a.m. until 7:45 a.m. with the race beginning at 8:00 a.m. There will also be a car show all weekend long in the center of the festival.

Lots to see and do so be sure to stop by and join in the fun all weekend long. Hope to see you there!!!

Thanks To Our Volunteers

.Thanks to everyone who spent their holiday weekend. Straightening up the warehouse. Things are a little bit more organized. And you can walk around on both sides with having to worry about needing knee surgery. No that not what happen to Susie. I would name the people who helped but I was on vacation so I honestly don't know how was there. Everyone did a fantastic job and we really

appreciate the help. Now if Steve can just keep it clean we will be in good shape.

Countertops, Countertops, Countertops... You want them, we've them!!!

Steve has really been busy. He has been going to our local donors picking up a little over 200 counter-tops. They are very nice and brand new. If any of you are helping the needy people in your

neighborhood make home improvements, you can't beat these. What a great chance to make a nice improvement to someone's home. *If you are interested in the

countertops, please come in and browse and give us 2 days notice to get them down for you!!! If you have a color that you want you need to get them as the darker colors are going fast.

Remember Sept. 11

Remember the effect that Sept. 11 had on all our lives. Pray for the families of those who lost their life on that day. Pray for the men and women of our military who give

their lives and spend time away from their families so that nothing like Sept. 11 will never happen again in America. If it were not for these brave men and women would not be able to enjoy the

freedoms that we take for granted everyday. If you see one of these men or women buy them a meal or at least tell them that you appreciate the sacrifices that they and their families have made.

AND FINALLY, A NOTE FROM STEVE

Thanks to everyone who has supported us the last year and a half. We could not have been here with out you. We appreciate those who shop with us, hopefully though you we are making a difference in peoples live or at least their circumstances.

Thanks to all the people who come in and just make donations. As everyone know we went from not having to pay for anything to having expenses for rent, gas, electric etc. so it was a big change for all of us. It is only through you that we can make a difference. Networking is what

organizations need to _____ do because none of us can do it alone. If you see things that we can improve on at our warehouse let me know. Thanks, again and God Bless.

Tell Them Now

=====

If with pleasure you are viewing
Any work a man is doing,

If you like him or you love him tell him now.
Don't withhold your approbation
Till the parson makes oration
And he lies with snowy lilies on his brow,

For no matter how you shout it
He won't really care about it

He won't know how many teardrops you have shed
So if some praise is due him
Now's the time to slip it to him
For he cannot read his tombstone when he's dead.

More than fame and more than money
Is the comment kind and sunny

And the hearty warm approval of a friend,
For it gives to life a savor
And it makes you stronger, braver,
And it gives you heart and courage to the end.

If he earns your praise, bestow it
If you like him, let him know it

Let the words of true encouragement be said.
Do not wait till life is over
And he's underneath the clover,
For he cannot read his tombstone when he's dead.
